About Vétoquinol

Vétoquinol, established in 1933, is an independent veterinary pharmaceutical laboratory for both food producing animals and pets. This family-owned Group, dedicated to animal health, is the world's 12th largest laboratory in its field. Nearly 80% of its revenue is now generated in export markets.

Its business includes research, production and marketing of drugs and health products. Vétoquinol, positioned in the treatment field, has extensive expertise in 3 major therapeutic fields: anti-infection agents, pain and inflammatory, and cardiology-nephrology.

The Group now distributes its products in about one hundred countries (Europe, North America and Asia), working through 18 subsidiaries and a network of 110 distributor-partners. The company had more than 1,300 employees worldwide.
