About Vétoquinol

Vétoquinol is an independent veterinary pharmaceutical laboratory serving both the companion animal and livestock markets. This family-owned group specialized in animal health is the 11th largest laboratory in the world, and nearly 80% of Vétoquinol's revenues come from outside France. Vétoquinol engages in the research and development, production and marketing of medical and dietary products. Vétoquinol has positioned itself in the curative sector, and has developed expertise in three major therapeutic fields: anti-infectives, pain management and anti-inflammatories, and cardiology and nephrology. The Group currently distributes its products in one hundred countries throughout Europe, North America and Asia, Pacific, with subsidiaries in 23 different countries and a network of 140 distributor partners. The Company has 1,600 employees worldwide.
