About Vétoquinol

Vétoquinol is an independent veterinary pharmaceutical laboratory serving both the companion and production animal markets. This family-owned group specialized in animal health is the 10th largest laboratory in the world. More than 80% of its revenues are generated outside France. Vétoquinol's business includes research and development, production and marketing of medicinal and non-medicinal products. Vétoquinol has positioned itself in the curative sector, and has developed expertise in three therapeutic fields: anti-infectives, pain management and anti-inflammatories, and cardiology and nephrology. The Group currently distributes its products in more than one hundred countries throughout Europe, North America and Asia/Pacific, with subsidiaries in 24 countries and a network of 140 distribution partners. The Company has more than 1,700 employees worldwide.
